50X1-HUM

1. No conscriptive measures are currently being taken in the Yugoslav Navy or Merchant Marine. The Merchant Marine has not been requested to conduct any military maneuvers, and the Adriatic Sea has not been mined at any point by the Yugoslav Navy.
2. There is no concrete evidence of military preparations for war but the Yugoslav people continue to talk about it. Army recruitment covers only the normal phase of calling up reservists for military training, and control of the military status of individuals and their orders continue.
